**Old Business**

- **COA Budgets FY 2021** – J. Claypoole reported the FY 2021 Budget was presented to the Warrant Committee on January 15 by C. Dwelley. R. Andrews, our liaison, was in attendance. J. Claypoole presented the COA budget. She explained how our budget had shifted and the reasoning behind the programs we currently offer. Both the Police Department and Highway Department were present. She was able to explain how closely we work with both departments to serve the needs of our elders who might not have anywhere to turn for assistance. The COA partners with both the Police Department and the Highway Department.

- **Caryl Community Center: COA Space Improvements** – J. Connolly reported that a contract has been signed with Office Gallery. All COA employees/volunteers were consulted at all times and frequently. A lot of time and effort was put into designing their workspace to meet their goals. In the outside corridor, we will ask the Friends of the COA if we can move their Plaques to further down the wall toward the doorway. In the area where the plaques are currently located, we will have iconic pictures of Dover. Artists will provide artwork that we will place on the back wall in Room 116 as well as the small room off of Room 116. We will also place some artwork in the area that is currently our library. We will write about these photographers and artists in our newsletter. We have received many compliments on our new rug in Room 116.
